Instructions

1. Concept

Fragments d'autres is a headphones installation. Première was performed in Maison Maria Casarès (Alloue, Charente (16)) on July 26, 2021.

Technical concept is an 1hour audio band divided in 9 parts. The audience has to wear headphones plugged into mp3 player and start the audio tracks according to their number (from 1 to 9) printed at different places of the garden.

For further information, please contact Matthieu Roy (director of Maison Maria Casares).

2. Audio Setup

In this particular documentation you will find :

Original Mixes of 18 musical fragments composed by Aurélien Dumont, recorded and mixed by Sylvain Cadars and Etienne Démoulin from IRCAM team.

The 1 hour audio band created for the Maison Maria Casarès

The 9 parts of the splitted audio band, mastered for TBONE headphones purchased by Maison Maria Casarès. - Theses files have been put into mp3 player.

The original ProTools 12 mixing session, to adjust the timing of the music if this performance is played again.

Have fun.
